Please read the reverse side for details.

Dear Town of Newfields Resident,

We are pleased to inform you that we are adjusting the Town of Newfields refuse collection from Thursday to Friday.

FRIDAY is the new Town-wide service day.

Please place your trash out for collection by 7 am on your schedule service day (Friday). Our trucks may be routed differently, so collection may take place earlier or later than you are accustomed to. Additionally, your service guidelines have not changed. All refuse must be bagged and not exceed 30lbs.

If you have any questions, please call

Waste Management at (800) 964-8988.

Thank you
