### **SPECIAL ANNOUNCEMENT**

The Newfields Village Water and Sewer District will postpone the April 2020 Meter Readings to May 2020.

Due to these unprecedented times where the President declared a National Emergency in response to COVID-19, putting in such measures as social distancing, we are forced to postpone the readings until next month.

You will see an increase in your water bill because the read will include an additional 30 days of water usage.

It is important to keep not only the staff, but all residents safe through this Pandemic, and we know that you agree.

Thank you for your understanding.

Stay well.
